REQUEST TO TRANSITION FROM 1E TO 2D

Name (print)	Mailbox #	Date
ID# (@00)	Email:	

_____After I have completed my 1E year at Maryland Carey Law, I wish to enroll as a full-time student.

_____I understand that I must complete the required 2E courses in the evening division during the upcoming fall and spring semesters.

_____I understand that I will give up the 2E flat rate (for the 10-credit standard 2E course load) and will be billed on a per credit basis going forward, regardless of the number of credits taken in any semester. I understand that this means that I will pay more in tuition for my degree than I would pay if I remained in the evening program for my 2E year.

_____I further understand that my elective choices will be limited during my second year of law school to courses for which I have completed the appropriate foundation courses.

_____I understand that I may be foreclosed from certain co-curricular activities due to eligibility requirements that I have not met or try-outs that I may have missed.

_____I agree to meet with Assistant Dean Hayes, Assistant Dean Edwards, or Associate Dean Krinsky prior to choosing second-year electives.

_____I hope to complete the requirements for the JD at the end of the

		semester.
