Scenario: Going Together
Student A
You are a student. You just broke up with your girlfriend/boyfriend after a whole 2 weeks of “going together.” You started going out during a break from school so many others didn’t know about it. When you got back to school, s/he decided to ask your friend out and s/he said ‘yes’. You are upset and you confront him/her.

Scenario: Going Together
Student B
You are a student. You really liked another student for a long time but s/he never seemed interested. After a two week break from school, s/he decides to tell you s/he likes you. You excitedly accept. Word spreads around school through notes and whispers. Your friend approaches you about it and s/he is not happy!
