(b) Without limiting the generality of subsection (a), if the exemption from the prohibitions of Section 24-9 that is contained in subsection 24-9(c)(7), as inserted by Section 1 of this Act, is held to be unconstitutional or invalid on its face or as applied to any person or circumstance, then the Council intends that: (1) the exemption be severed from the remainder of Section 24-9; and (2) all provisions of Section 24-9, as otherwise amended by Section 1 of this Act, continue in effect and apply to all eating and drinking establishments, including those eating and drinking establishments that were exempted under subsection 24-9(c)(7), as inserted by Section 1 of this Act."
