March 3, 2011

Dear Friends,

Welcome to the Maryland Public Interest Law Project's Annual Goods and Services Auction! Thank you for attending the Auction and for supporting MPILP's efforts to promote public interest law through experiential legal opportunities.

Tonight's proceeds will be used to fund \$4,000 grants for University of Maryland law students who will be working full-time during the summer for non-profit and governmental organizations that provide legal services to underrepresented individuals and communities. By bidding generously, you will enable the Maryland Public Interest Law Project, Inc. (MPILP) to provide numerous grants to dedicated students who will increase access to justice for those who would otherwise go without legal representation.

This year, MPILP is honoring two tireless supporters of MPILP and students' public interest work, Professor Michael Millemann and his wife, Sally Millemann. In addition, the members of the MPILP Board who will be graduating this year will be recognized for their dedication to serving the greater Maryland community. MPILP salutes these honorees' tireless efforts to further the public interest.

Thank you again for joining us tonight to support and celebrate MPILP's work. We hope you enjoy what promises to be a wonderful evening.

Best Wishes,  
Emily Jaskot & Marissa Lenius  
MPILP Presidents

## TONIGHT'S HONOREES

### PROFESSOR MICHAEL MILLEMANN & SALLY MILLEMANN

**Professor Michael Millemann** is the Jacob A. France Professor of Public Interest Law and the Director of the Leadership, Ethics and Democracy Initiative at the University of Maryland School of Law. Professor Millemann began his legal career as a legal services attorney. He served as a Reginald Heber Smith Fellow in the Maryland Legal Aid Bureau from 1969 to 1971. For the next two years he was chief attorney in Legal Aid East, Baltimore City and supervisor of the Law School's Legal Aid Clinic. During this time, Professor Millemann founded the Legal Aid Bureau's Prisoner Assistance Project and worked as a staff attorney for the National Prison Project. During 1973 he was deputy director of the Multnomah County, Oregon Legal Aid Service. He returned to Maryland to teach full-time at the University of Maryland School of Law in 1974.

During 1979–81, Professor Millemann was chief general counsel and chief of the Civil Division of the Maryland Attorney General's Office, responsible for ultimately supervising the assistant attorneys general who practice civil law. Professor Millemann has been chairman of the Maryland State Bar Association's Judicial Nominations Committee. Professor Millemann was the first Secretary to the Maryland Legal Services Corporation and a longtime Board Member and chairman of the Correctional Reform Section of the Maryland State Bar Association. He has both published extensively and participated as an attorney in major constitutional litigation.

Professor Millemann has taught courses in Consumer Protection, Criminal Law, Lawyers and Legal Systems and their Social Context, Legal Analysis and Writing, and Professional Responsibility and Practice. He has also supervised student attorneys working in the Consumer Protection Clinic, the International and Comparative Law Clinic, and the Mississippi Center for Justice Clinic.

Professor Millemann has demonstrated a profound commitment to MPILP's mission, serving as an emissary to the law school faculty and legal practitioners, law firms, legal services organizations throughout the city and state. His tireless support provides MPILP the financial and organizational resources necessary to place summer grantees in positions to provide direct legal services to those most in need.

A native of Maryland, **Sally Millemann** earned her Masters in Social Work specializing in Community Organizing from the University of Maryland in 1979.

Following graduation, her work led her to the Maryland Disability Law Center, where she worked as a lobbyist for disability rights and special education rights, and eventually rose to the position of Deputy Director. Sally later applied her expertise and insight in the field of protecting children and families as a contributor to the Advocates for Children and Youth's landmark 1995 Report, a study of the foster care system in the state of Maryland, and as a staff member to the Coalition to Protect Maryland's Children. In addition to these professional accomplishments, she has also served on the board of the Maryland Legal Services Corporation.

In 1999, in order to have a more flexible schedule and to spend more time with her and Professor Millemann's son, now a Junior at Haverford College in PA, Sally and a business partner purchased the Mt. Washington knitting shop Woolworks. For nine years she owned and operated the shop and pursued her passion for knitting. Currently, Sally volunteers with a number of organizations. MPILP sincerely thanks her for all she does to forward public interest work in the Maryland legal community.

Please join us in honoring Professor Millemann and Sally Millemann for their inspirational support of MPILP and the public interest community at the Law School.

## TONIGHT'S STUDENT HONOREES
