Dear Students, Alumni, Faculty, Staff, and Friends,

Welcome to the Maryland Public Interest Law Project’s Annual Goods and Services Auction! Thank you for attending the Auction and for supporting MPILP’s efforts to promote public interest law through experiential legal opportunities.

Tonight’s proceeds will be used to fund $4,000 grants for University of Maryland law students who will be working full-time during the summer for non-profit and governmental organizations that provide legal services to underrepresented individuals and communities. By bidding generously, you will enable MPILP to provide numerous grants to dedicated students who will increase access to justice for those who would otherwise go without representation. We are so grateful for your continued support and could not succeed in our mission without your help.

Thank you again for joining us tonight to support and celebrate MPILP’s work. We hope you enjoy what promises to be a wonderful evening.

Best Wishes,
Vianca Diaz & Julia Hall
