About the Maryland Public Interest Law Project
Founded in 1987, The Maryland Public Interest Law Project, Inc. (MPILP) is a student-run 501(c)(3) organization dedicated to increasing awareness of, possibilities for, and participation in public interest legal work. Primarily, MPILP raises money to fund grants for Maryland law students working otherwise unpaid public interest internships in the legal services field. The grants go to students providing direct legal services to individuals and communities that cannot afford legal services. Last year, MPILP grantees dedicated more than 10,000 hours to public interest legal work.

Past summer grant recipients worked at:
- Maryland Disability Law Center
- Public Justice Center
- Maryland State’s Attorney Offices
- Homeless Persons Representation Project
- Maryland Office of the Public Defender
- Maryland Legal Aid
- Family Crisis Center of Baltimore County
- Health Education Resource Organization

Our Annual Goods and Services Auction, the event for which your support is requested, is MPILP’s main fundraiser. One hundred percent of MPILP’s Auction proceeds are used to fund MPILP’s summer grants program.

Advantages of Donating
- Promote your business by appearing in the MPILP’s Annual Goods and Services Auction program. Hundreds of students and leaders from the legal community attend the auction every year.
- Take advantage of charitable giving with your tax-deductible contribution to MPILP.
- Your donation to MPILP benefits your business by supporting students who provide legal services to underserved communities in Baltimore. That work strengthens those communities, and has the ultimate goal of making Baltimore safer and more economically stable.
