A. CURRICULUM

See online Summer 2010 Curriculum for the list of summer courses that will be offered. Note: For variable credit courses there is a separate listing for each credit value. When registering, students should list the Course Registration Number (CRN) appropriate for the number of credits requested.

B. CALENDAR

Classes begin on June 1 and end on July 16, except for the Clinical Law Program which begins June 7 and continues for ten weeks. The class time listed on the Summer Session Curriculum includes a break for each course each day it is offered. The examination period begins on July 19 and ends on July 22.

The program in Aberdeen Scotland runs from June 28 through July 30. Information about this program is available online at the University of Baltimore School of Law website. Note: in addition to completing the application form and submitting it to the University of Baltimore School of Law, you must also register for Aberdeen courses through Maryland law school’s online registration process in April.

C. ENROLLMENT AND OTHER INFORMATION

Assignment to courses will be made in accordance with the priority system, explained in the Registration Enrollment Priorities Information. Courses which are under-enrolled may be cancelled.

Each summer session credit equals one semester's credit. Students may take a maximum of nine credits in the summer session. See Graduation Requirements for how summer classes count toward the residency requirement. Day students taking summer classes to graduate in less than three years and evening or part-time day students planning to graduate in less than four years should read the residency rules carefully.

D. PAYMENT OF TUITION

Summer session students are billed on a per-credit hour basis. Tuition for the summer session is the same per credit hour rate as spring 2010.

The Student Accounts Office will mail to you your bill for the summer session in May. This mailing will be sent to your mailing or permanent home address (check SURFS to see what address is on file for you). The bill will list your summer course selections and the number of credits for which you are being billed. Courses added after, May 31, will result in a higher bill but courses dropped after May 31 will not result in a lower bill.

If you do not receive a bill or if you make changes in the number of credits after receipt of your bill, you may check you bill via SURFS or contact the Student Accounts Office (410-706-2930) for revised bill information by the bill due date.

Students must be registered for a minimum of 6 credits to be eligible for financial aid.
E. REGISTRATION CANCELLATION, WITHDRAWAL AND REFUND SCHEDULE

Students who advance register and subsequently decide not to enroll in the summer session must notify the Office of Registration and Enrollment, Law School, Suite 280, in writing, prior to the beginning of the summer session. If this office has not received a request for cancellation by 4:30 p.m., May 31, the University will assume the student plans to attend and accepts his/her financial obligation.

**Deadline for Cancellation of Summer Session enrollment is May 31**

**Deadline for Refund for Dropped Courses is May 31**

After instruction begins, students who wish to withdraw from the summer session must submit a notification of withdrawal to the Office of Registration & Enrollment. Students are liable for all charges applicable at the time of withdrawal.
