

OPENINGS IN COURSES
AFTER ADVANCE REGISTRATION

SPRING 2010

(11/20/09)

1. If there are openings in the left column, all students who correctly submitted their registration requests on time were admitted. If not all requests could be accommodated, some student names were placed on a wait list below. Admits will now appear as Registered on SURFS. All notations of Wait List on SURFS have been removed.
2. Updates of the Openings List are posted on-line under Registration:
<http://www.law.umaryland.edu/students/registration/advance/> on the sidebar to the right.
3. Approved student registrations will be automatically recorded on **Blackboard** rosters. After Blackboard has been activated, early December for the Spring Semester, courses added or dropped through SURFS will automatically be reflected on the corresponding Blackboard course within 24 hours. More information on using Blackboard can be found on-line at <http://www.law.umaryland.edu/students/resources/technology/>.
4. Add/drop is conducted primarily on-line on SURFS (<http://simsweb.umaryland.edu>) on a first come/first serve basis, except:
 - a. Wait Lists. Courses which have wait lists due to oversubscription during advance registration may be dropped on-line; they may not be added on-line unless and until those on the wait list have had opportunity to add if places open. If places open in these over-subscribed courses, the next student on the wait list will be notified and will have 48 hours to respond. If through this process the wait list is exhausted, the offering may be added on-line on a first come/first serve basis.
 - b. Clinic and Legal Theory & Practice (LTP) Courses. Students who wish to add or drop a spring semester Clinic or Legal Theory & Practice course after December 19 may do so only under unusual circumstances and with the written faculty approval (or, in the absence of the faculty member, the approval of the Director or Managing Director of the Clinical Law Program) on the paper Change in Registration Request (Add/Drop) Form. Once the form is completed and signed by the course instructor, the student must submit the original to the Office of Registration & Enrollment.
5. **Add/Drop Windows and Deadlines**. The **spring semester** on-line add/drop will open on **December 3 and run through January 30**, except for Clinic and LTP courses as noted in 4.b above.

Paper add/drop is a requirement for students who drop classes after the tuition billing date (the day prior to the first day of the semester) when those drops will reduce their credit hours from flat fee to per credit hour (full time day students who drop below 9 credits and evening and part-time day students who drop below 7 credits) or for students who already are being billed by the credit hour. Students who add credits will be recognized by the on line system and billed at the appropriate higher rate.

A student may not add or drop a course after the add/drop deadline except by permission of Lowell Wilson and, in a seminar, simulation or clinic, the instructor. Students who are permitted to drop a course after the add/drop deadline will have a W (Withdrawal) recorded on their grade record.

The on-line add/drop system will not allow a student to drop their last or single remaining course from their schedule. This must be done on the paper add/drop form and submitted to the Office of Registration and Enrollment. If you are withdrawing for the semester, please make your request in writing to the Office of Registration and Enrollment, explaining your reason and if you intend to return.

6. Students on the wait list for seminar and simulation courses are encouraged to attend the first class meetings.

7. Students may not audit a seminar, simulation or experience-based course without instructor approval. Requests to audit may not be done online, but must be made using the paper add/drop form.

👉 **The number to the left indicates the number of openings still available.**
