

WAIT LIST FOR SUMMER AND FALL 2012

April 27, 2012

1. Up to the minute Openings in Courses now appear on the course description pages of the course catalog: <http://www.law.umaryland.edu/academics/program/curriculum/catalog/>. A list of “only courses with openings” can be viewed by clicking on the drop down box for **Term Offered**, selecting **Summer or Fall 2012** and putting a check in the box that says “**Limit To Courses With Openings.**”

For a list of all course offerings that include all courses including required courses, journals, etc. see the Curriculum at <http://www.law.umaryland.edu/academics/program/curriculum/schedules/>

2. Updates of Courses with Wait Lists established during Advance Registration are updated and posted periodically on-line under Openings in Courses: <http://www.law.umaryland.edu/students/>.
3. Approved student registrations will be automatically recorded on **Blackboard** rosters. After Blackboard has been activated (early May for the Summer Session and Early August for the Fall Semester), courses added or dropped through SURFS will automatically be reflected on the corresponding Blackboard course within 24 hours. More information on using Blackboard can be found on-line at <http://www.law.umaryland.edu/students/resources/technology/>.
4. Add/drop is conducted primarily on-line on SURFS (<http://simsweb.umaryland.edu>) on a first come/first serve basis, except:

- a. Wait Lists. Courses which have wait lists due to oversubscription during advance registration may be dropped on-line; however, they may not be added on-line unless and until those on the wait list have had opportunity to add if places open. If places open in these over-subscribed courses, the next student on the wait list will be notified and will have 48 hours to respond (please note that the time period will shorten as we approach the start of the semester). If through this process the wait list is exhausted, the offering may be added on-line on a first come/first serve basis.

- b. Clinic and Legal Theory & Practice (LTP) Courses. Students who wish to drop or add a Clinic or Legal Theory & Practice course after May 4 for the summer session or July 13 for the fall semester may do so only under unusual circumstances and with the written faculty approval (or, in the absence of the faculty member, the approval of the Director or Managing Director of the Clinical Law Program) on the paper Change in Registration Request (Add/Drop) Form. Once the form is completed and signed by the course instructor, the student must submit the original to the Office of Registration & Enrollment.

5. Add/Drop Windows and Deadlines. The **summer session** on-line add/drop will open on **Monday, April 30 and run through Tuesday, May 29. After May 29, add/drop is available only by using the paper “add/drop” form, which requires instructor approval**, except clinic and LTP courses as noted in 4.b above.

The **fall semester** add/drop is primarily on-line and opens **Monday, May 7 and runs through Saturday, September 8**. Paper add/drop is a requirement for students who drop classes after the tuition billing date (the day prior to the first day of the semester) when those drops will reduce their credit hours from flat fee to per credit hour (full time day students who drop below 9 credits and evening and part-time day students who drop below 7 credits) or for students who already are being billed by the credit hour. Students who add credits will be recognized by the on-line system and billed at the appropriate higher rate.

A student may not add or drop a course after the add/drop deadline except by permission of the instructor and Lowell Wilson, Director of Registration and Enrollment. Students who are permitted to drop a course after the add/drop deadline will have a W (Withdrawal) recorded on their grade record.

The on-line add/drop system will not allow a student to drop their last or single remaining course from their schedule. This must be done on the paper add/drop form and submitted to the Office of Registration and Enrollment. If you are withdrawing for the semester, please make your request in writing to the Office of Registration and Enrollment, explaining your reason and if you intend to return.

6. Students on the wait list for seminar and simulation courses are encouraged to attend the first class meetings.
7. Students may not audit a seminar, simulation or experience-based course without instructor approval. Requests to audit may not be done online, but must be made using the paper add/drop form.
8. Courses with special add/drop limitations:
 - a. Aspers: Each student must obtain approval for his or her Asper Fellowship. To be considered, an Asper Faculty Approval form must be submitted to Teresa Schmiedeler in the Career Development Office at least one week **before** the first day of the semester in which the student wishes to undertake the Asper Fellowship. Students interested in doing an Asper Fellowship are advised to contact Teresa Schmiedeler before submitting the faculty approval form and registering for the class.
 - d. Externships: Applications for Free-standing Externships must be submitted by August 1 for the fall semester. For more information, please read the externship information at: <http://www.law.umaryland.edu/dept/academics/externships.asp>
