

Wait List for Courses Spring 2012

January 27, 2012

1. Courses not listed on the wait list may have openings available—the number of openings will be available on the course catalog, and openings are on a first come/first serve basis. For courses where all registration requests could not be accommodated, the remaining names of students who attempted to register for those courses were placed on a wait list (see below).
2. Updates to the Wait List will be posted on-line under Registration: <http://www.law.umaryland.edu/students/registration/advance/> on the sidebar to the right.
3. Approved student registrations will be automatically recorded on **Blackboard** rosters. After Blackboard has been activated (early December for the Spring Semester), courses added or dropped through SURFS will automatically be reflected on the corresponding Blackboard course within 24 hours. More information on using Blackboard can be found on-line at <http://www.law.umaryland.edu/students/resources/technology/>.
4. Add/drop is conducted primarily on-line on SURFS (<http://simsweb.umaryland.edu>) on a first come/first serve basis, except:
 - a. Wait Lists. Courses which have wait lists due to oversubscription during advance registration may be dropped on-line; however, they may not be added on-line unless and until those on the wait list have had an opportunity to add as spaces become available. If spaces open up in these over-subscribed courses, the next student on the wait list will be notified and will have up to 48 hours to respond [response period will become shorter as we approach the start of the semester]. If the wait list is exhausted through this process, all future openings may be added via SURFS on a first come/first serve basis.
 - b. Clinic and Legal Theory & Practice (LTP) Courses. **Students who wish to add or drop a spring semester Clinic or Legal Theory & Practice course after December 16 may do so only under unusual circumstances and with the written faculty approval (or, in the absence of the faculty member, the approval of the Director or Managing Director of the Clinical Law Program) on the paper “Change in Registration Request (Add/Drop) Form.”** Once the form is completed and signed by the course instructor, the student must submit the original to the Office of Registration & Enrollment.
5. Add/Drop Windows and Deadlines. The **spring semester** on-line add/drop will open on **December 1 and run through January 28**, except for Clinic and LTP courses as noted in 4.b above.

Paper add/drop is a requirement for students who drop classes after the tuition billing date (the day prior to the first day of the semester) when those drops will reduce their credit hours from flat fee to per credit hour (full time day students who drop below 9 credits and evening and part-time day students who drop below 7 credits) or for students who already are being billed by the credit hour. Students who add credits will be recognized by the on-line system and billed at the appropriate higher rate.

A student may not add or drop a course after the add/drop deadline except by permission of Lowell Wilson and, in a seminar, simulation or clinic, the instructor. Students who are permitted to drop a course after the add/drop deadline will have a W (Withdrawal) recorded on their grade record.

The on-line add/drop system will not allow a student to drop their last or single remaining course from their schedule. This must be done on the paper add/drop form and submitted to the Office of Registration and Enrollment. If you are withdrawing for the semester, please make your request in writing to the Office of Registration and Enrollment, explaining your reason and if you intend to return.

6. Students on the wait list for seminar and simulation courses are encouraged to attend the first class meetings.
7. Students may not audit a seminar, simulation or experience-based course without instructor approval. Requests to audit may not be done online, but must be made using the paper add/drop form.
