

# MSL Scholarship Application

A limited number of merit-based scholarships covering a portion of tuition are available to help defray the cost of tuition. The MSL Scholarship is renewable for up to four semesters, so long as the student remains in good academic standing and so long as the eligibility requirements (described below) are met.

MSL applicants are eligible to apply for the MSL Scholarship unless receiving full tuition support from an employer or other entity. Applicants receiving partial tuition remission or support from an employer or other entity, including FEDEM Grant recipients, may apply for a reduced MSL Scholarship.

Applicants for an MSL Scholarship must disclose all non-loan financial support (i.e., any form or level of tuition remission or reimbursement provided by an employer, or other scholarship provided by any entity) which they anticipate receiving to help defray the cost of attending the MSL program. This includes FEDEM Grants.

Criteria for award of an MSL scholarship include:

- Financial need (The Free Application for Federal Student Aid (FAFSA) must be submitted to meet this criteria; the school code for the University of Maryland, Baltimore is **002104.**) and
- Professional achievement in a field related to the MSL area of specialty or achievement in academic work related to the MSL area of specialty
