The first ten (10) eligible students to have their forms submitted will receive up to a \$1,300 grant from the University of Maryland Carey School of Law for the purpose of covering tuition, which, per the terms of the Yellow Ribbon Program, will be matched by the Veteran’s Administration for a maximum potential award of \$2,600. The University of Maryland Carey School of Law will not prioritize full-time versus part-time students, as this would violate the terms of agreement of the program.
