

# SPRING 2019 WAITLIST

**December 18, 2018**

1. Up to the minute “Openings in Courses” can be accessed through the Course Catalog: <http://www.law.umaryland.edu/academics/program/curriculum/catalog/>. Click on the drop down box for **Term Offered**, selecting **Spring 2019**, and place a check in the box that says “**Limit To Courses With Openings.**” Click “**Submit,**” and a list of courses with openings will appear.

For a list of all course offerings, including required courses, journals, etc. see the Spring 2019 Curriculum at

<http://www.law.umaryland.edu/academics/program/curriculum/schedules/>

2. Waitlists are updated and posted periodically on-line under **Courses Waitlist**. Go to <http://www.law.umaryland.edu/students/> and look under **Pre-Semester**.
3. Approved student registrations will be automatically recorded on **Blackboard** rosters. After Blackboard has been activated, courses added or dropped through SURFS will automatically be reflected on the corresponding Blackboard course within 24 hours. More information on using Blackboard can be found on-line at <http://www.law.umaryland.edu/students/resources/technology/>.
4. Add/drop is conducted primarily on-line on SURFS (<http://simsweb.umaryland.edu>) on a first-come/first-served basis, except:
  - a. Waitlists. Courses which have Waitlists due to oversubscription during advance registration may be dropped on-line; however, they may not be added on-line unless and until those on the Waitlist have had an opportunity to add if places open. If places open in these over-subscribed courses, the next student on the Waitlist will be notified and will have up to 48 hours to respond (*please note that the time period will shorten as we approach the start of the semester*). If you wish to be added to the end of a Waitlist, email [registration@law.umaryland.edu](mailto:registration@law.umaryland.edu) by Friday, December 7. If through this process the Waitlist is exhausted, a notice will be sent out, and the offering may be added on-line on a first-come/first-served basis.
  - b. Clinic and Legal Theory & Practice (LTP) Courses. *Students who wish to drop or add a Clinic or Legal Theory & Practice course after December 7 may do so only under unusual circumstances and with written faculty approval* (or, in the absence of the faculty member, the approval of the Director or Managing Director of the Clinical Law Program) on the paper “Change in Registration Request (Add/Drop)” Form. Once the form is completed and signed by the course instructor, the student must submit the original to the Office of Registration & Enrollment.

5. Add/Drop Windows and Deadlines. The **spring semester** add/drop is primarily on-line and opens **Monday, December 3, 2018 and runs through Saturday, January 26, 2019.** Paper add/drop is a requirement for students who drop classes after the tuition billing date (the day prior to the first day of the semester) when those drops will reduce their credit hours from flat fee to per credit hour. Students who add credits will be recognized by the on-line system and billed at the appropriate higher rate.

*A student may not add or drop a course after the add/drop deadline except by permission of the instructor and the approval of the Office of Registration and Enrollment. Students who are permitted to drop a course after the add/drop deadline will have a W (Withdrawal) recorded on their grade record.*

The on-line add/drop system will not allow a student to drop his/her last or single remaining course from his/her schedule. This must be done on the paper add/drop form and submitted to the Office of Registration & Enrollment. If you are withdrawing for the semester, please make your request in writing to the Office of Registration & Enrollment, explaining your reason and if you intend to return.

6. Students on Waitlists for seminar and simulation courses are encouraged to attend the first class meetings.
7. Students may not audit a seminar, simulation or experience-based course without instructor approval. Requests to audit may not be done online, but must be made using the paper add/drop form.
8. Courses with special add/drop limitations: Externships, including Asper Judicial Fellowships, have a special application process with relatively early deadlines. See <http://www.law.umaryland.edu/dept/academics/externships> for more information.
