Role Play#1 A

You are upset with your friend\_\_\_\_\_. You found out that she/he has been talking about you on Facebook, even calling you some bad names. It's all over school and it seems everyone is talking about this.

Internet Posting

Role Play #1 B

You don't know what to do with your friend\_\_\_\_\_. She/he has accused you of spreading rumors about her/him on Facebook but you don't recall posting anything bad about her/him. When you signed onto Facebook, the bad things written were *already* posted. Now she/he seems to be telling everybody in the school and it seems she/he is trying to turn everyone against you.
