b. _____

c. _____

d. _____

7. If you have participated in any volunteer activities while in law school, identify the activity and the nature of your participation.

8. If you have participated in a volunteer activity, what has been the most frustrating thing about the experience?

9. When did you first become interested in South Africa, and why?

10. List the last five books you have read.

- a.

- b.

- c.

- d.

- e.

11. What undergraduate and other degree did you receive?

12. What was your undergraduate or other major?

13. If things develop as planned, what kind of work will you do upon graduation from law school?

14. What is the main motivating factor behind that choice?

15. Essay

Please write a two-page essay about your reasons for applying for an externship in South Africa. Focus on any prior direct exposure you have had to the country, the impact of that experience, and/or other experiences that heightened your interest. Include any particular knowledge you have acquired about the country, as well as your insights about South African legal or political issues. The Committee also is interested in your perception of your strengths in participating in cross-cultural situations.

I verify that the statements in the above application and all attachments are true, and authorize the Committee to verify the information contained in my application and attachments, including for the purpose of ascertaining whether I am or have been the subject of a disciplinary proceeding, and to share such information with persons and institutions involved in the South Africa Exchange Program.
