The Women, Leadership & Equality Program invites you to attend

THE ROSE ZETZER LECTURES

Rose Zetzer became the first female member of the Maryland State Bar Association in 1946, having fought for more than twenty years for admission. She was a graduate of Johns Hopkins University and a 1925 graduate of the University of Maryland School of Law. Zetzer formed one of the state’s first all-female firms, Zetzer, Carton, Friedler & Parke. An early advocate for women’s jury service, Zetzer was a founding member of the Maryland Women’s Bar Association, a board member of the Legal Aid Bureau and a trustee of the Marjorie Cook Foundation.
